GB

jadegrün Spraydose 400ml

0,400 Liter

Gefahr
Danger

- Extremely flammable aerosol. | Highly flammable liquid and vapor. | Flammable liquid and vapor. | Pressurized container: may burst when heated. | Causes serious eye irritation. | May cause drowsiness and dizziness. | May form explosive/flammable vapor/air mixtures in use. | Repeated contact can lead to chapped or cracked skin. | If medical advice is required, have packaging or label ready. | Keep out of the reach of children. | Read the label before use. | Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. Do not smoke. | Do not spray against an open flame or other ignition source. | Do not pierce or burn, even after use. | Only use outdoors or in well-ventilated rooms. | If you feel unwell, call a POISON CENTER/doctor. | If eye irritation persists: Seek medical advice/attention. | IF IN EYES: Rinse cautiously with water for several minutes. Remove any contact lenses if possible. Continue rinsing. | Protect from sunlight and do not expose to temperatures above 50 °C/122 °F | Dispose of contents/container in accordance with local/regional/national/international regulations. | Danger | GHS-02: Flammable gases, liquids, aerosols and solids. Substances and mixtures which, in contact with water, emit flammable gases, spontaneously flammable and self-reactive liquids and solids, self-heating substances and mixtures | GHS-07: Acutely harmful after inhalation, ingestion or skin contact, irritation of the skin and eyes, sensitization of the skin (cause allergic skin reactions), irritation of the respiratory tract or anaesthetic effect.
